All-In-One Event Indoor International

Important Notes - PLEASE READ

Afternoon Event - Indoor International Special

I have had a few entries for the afternoon special event. This will be run in a similar way to last year where we will set up two short obstacles and some cones inbetween them. The object will be to get around the whole course in the quickest time. Each knockdown will count as a 5 second penalty.

Each driver will drive the course twice, and the two times will be added together to come up with the overall time. The winner will be the person with the lowest overall time.

There will only be two classes, singles and multiples. Everyone will compete in one "Group", and the awards for the classes will be calculated once everyone has completed. Overall presentation will take place in the lorry field shortly afterwards. The overall Winner will be invited to represent the area in the Keysoe Challenge. Please ask me if you have any queries on this.

Timetable for the day is as follows:

9am - All-In-One Course ready for walking

10am - First Competitor Starts

1.30pm - Last Competitor Finishes

1.50pm - Presentation NEXT TO JUDGES BOX in main arena

2.10pm - Indoor International Course Ready for Walking

2.50pm - First Competitor in Indoor International (Round 1)

before 4.00pm - Presentation of Indoor International IN LORRY PARK

Please remember to pick up a number from the trailer when you are walking them because there are a few new drivers and it will make things easier for our judges and stewards.

Once again, the steward will be based in the warm up arena. This will make sure that people are not waiting around in the cold, but we need your help with this, so PLEASE report to the steward (Graham) in the warm up arena 10 minutes before your start time so that he can tell you when to make your way down to the dressage arena. This is for your own good and to ensure that drivers, stewards and most importantly horses and ponies are not waiting around in the cold. Thank you.

To make sure that people do report to the steward 10 mins before their time, anyone FAILING to do this will be awarded 5 penalties to their score.

Any other queries, please just give me a shout, cheers, James
