

HORSE WATCH

- A NEW SCHEME TO PREVENT HORSE CRIME

A police scheme to prevent horse-related crime has been started up in this area.

The purpose of Horse Watch is to prevent and deter horse-related crime, such as theft of horses, tack and transportation. The scheme will also assist in the identification of the people who cause harm to animals.

Horse Watch works through an email system, where information from horse owners and surrounding forces is shared and passed on to other members.

James Broome, manager of the David Broome Event Centre, has decided to take part in Horse Watch and has urged other horse owners to sign up with the free scheme.

For more information, or to join the Gwent Police Horse Watch scheme, please call PCSO Ruth James on 01633 838111, or email on ruth.james@gwent.pnn.police.uk
